BG-12 MS
Clinical Development Team

Subject: **Minutes from BG-12 MS CDT meeting on 03 May 2006**
Date: **04 May 2006**

Attendees: Cara Lansden, Gilmore O'Neill, Minhua Yang, Ratna Lingamaneni, [redacted],
Tammy Sarnelli, [redacted]

1	MS IND Clinical Hold Update	• Approximately 10-15 events of LFTs>3X ULN have been discovered in the psoriasis program. ▪ This delays the response submission by a minimum of 5 working days. ▪ [redacted]n has been informed. [redacted] should inform [redacted]
2	Phase 3 Protocol Concept Review	• CTRB for both protocols will be on 11 May. ○ Emphasis will be placed on the understanding that we need approved concepts to submit to the Agencies for feedback, and that this feedback will drive the final protocol designs. • [redacted]

[redacted]
