Olopatadine (0.7%),Antihistamine
(equivalent to olopatadine hydrochloride 0.776%)

Use Temporarily relieves itchy eyes due to pollen, ragweed, grass, animal hair and dander.

Warnings
For external use only

Do not use

- if solution changes color or becomes cloudy
- if you are sensitive to any ingredient in this product
- to treat contact lens related irritation

When using this product

- do not touch tip of container to any surface to avoid contamination
- remove contact lenses before use
- wait at least 10 minutes before reinserting contact lenses after use
- do not wear a contact lens if your eye is red

Stop use and ask a doctor if you experience:

- eye pain
- changes in vision
- increased redness of the eye
- itching worsens or lasts for more than 72 hours

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away.

Directions

- adults and children 2 years of age and older: put 1 drop in the affected eye(s) once daily
- do not use more than 1 drop in each eye per day
- if using other ophthalmic products while using this product, wait at least 5 minutes between each product
- replace cap after each use
- children under 2 years of age: consult a doctor

Other information

- only for use in the eye
- store between 2°-25°C (36°-77°F)

Inactive ingredients
benzalkonium chloride 0.015%, boric acid, hydrochloric acid/sodium hydroxide (to adjust pH), hydroxypropylgama-cyclodextrin, hypromellose, mannitol, polyethylene glycol 400, povidone, and purified water
