ORDER OF DISCHARGE FROM PROBATION

DOB: 02/18/1987

PARAPHERNALIA-POSSESS/USE, A Class 6 Undesignated.**

EXPIRATION SUMMARY:

While on probation the defendant successfully completed the following conditions: Reported to Unsupervised Probation intake as directed. At the time of sentencing the defendant was ordered to complete Substance Abuse Counseling. On December 16, 2016 he completed a screening with Terros in which he did not meet the criteria for substance abuse counseling and was recommended no further treatment. In addition, a warrant check indicated he has no known warrants or further involvement with Superior Court.

The defendant did not comply with the following conditions: Condition #15: Pay Court-ordered fees. A Petition to Revoke based on lack of compliance or lack of completion does not appear appropriate, as the defendant only owes money.
