# Forward-Looking Statements

*Forward-looking statements that may be contained in this presentation, including statements related to the Company's plans, strategies, objectives, expectations, intentions and adequacy of resources, are made pursuant to the safe harbor provisions of the Securities Litigation Reform Act and contain words such as "believes," "anticipates," "plans," "intends" and similar words and phrases.*

*These forward-looking statements are subject to risks and uncertainties that could cause actual results to differ materially from the results projected in any forward-looking statements. In addition to the factors specifically noted in the forward-looking statements, other important factors and uncertainties that could result in those differences include, but are not limited to, the "Risk Factors" section of the Company's Annual Report on Form 10-K for the year ended December 31, 2016, filed with the Securities and Exchange Commission on March 28, 2017. The forward-looking statements that may be contained in this presentation are being made as of the date hereof, and the Company assumes no obligation to update the forward-looking statements to reflect changes in circumstances or reasons why actual results could differ from those projected in the forward-looking statements.*

# Our Expertise

- We have 3 primary areas of focus:
  - Digital Solutions
  - Printed Products
  - Licensing and IP Monetization
- Our core technologies help prevent documents from being copied or scanned.
- Our technologies lie at the heart of the brand protection field- which addresses the \$1 trillion global brand and product counterfeiting problem.
- We continuously invest in R&D to remain leaders in our market and have a broad IP portfolio.
- We seek significant returns from IP monetization investments

# Explore Litigation Insights

Docket Alarm provides insights to develop a more informed litigation strategy and the peace of mind of knowing you're on top of things.

## Real-Time Litigation Alerts

Keep your litigation team up-to-date with **real-time alerts** and advanced team management tools built for the enterprise, all while greatly reducing PACER spend.

Our comprehensive service means we can handle Federal, State, and Administrative courts across the country.

## Advanced Docket Research

With over 230 million records, Docket Alarm's cloud-native docket research platform finds what other services can't. Coverage includes Federal, State, plus PTAB, TTAB, ITC and NLRB decisions, all in one place.

Identify arguments that have been successful in the past with full text, pinpoint searching. Link to case law cited within any court document via Fastcase.

## Analytics At Your Fingertips

Learn what happened the last time a particular judge, opposing counsel or company faced cases similar to yours.

Advanced out-of-the-box PTAB and TTAB analytics are always at your fingertips.

## API

Docket Alarm offers a powerful API (application programming interface) to developers that want to integrate case filings into their apps.

## LAW FIRMS

Build custom dashboards for your attorneys and clients with live data direct from the court.

Automate many repetitive legal tasks like conflict checks, document management, and marketing.

## FINANCIAL INSTITUTIONS

Litigation and bankruptcy checks for companies and debtors.

## E-DISCOVERY AND LEGAL VENDORS

Sync your system to PACER to automate legal marketing.
