

EXHIBIT 8

**IN THE UNITED STATES DISTRICT COURT
FOR THE EASTERN DISTRICT OF TEXAS
MARSHALL DIVISION**

DOCUMENT SECURITY SYSTEMS,
INC.,

Plaintiff,

v.

CREE, INC.,

Defendant.

Civil Action No. _____

JURY TRIAL DEMANDED

COMPLAINT FOR PATENT INFRINGEMENT

This is an action for patent infringement arising under the Patent Laws of the United States of America, 35 U.S.C. § 1 *et seq.* in which Document Security Systems, Inc. (“DSS” or “Plaintiff”) makes the following allegations against Defendant Cree, Inc. (“Cree” or “Defendant”).

PARTIES

1. Document Security Systems, Inc. is a publicly-traded New York corporation, and has a place of business in Plano, Texas. Founded in 1984, DSS is a global leader in brand protection, digital security solutions and anti-counterfeiting technologies.

2. In November 2016, DSS acquired a portfolio of patents covering technologies used in Light-Emitting Diode (“LED”) lighting products, including the patents-in-suit. The patents in this portfolio were originally assigned to Agilent Technologies, Inc. and/or the successors of its LED business. Since its recent acquisition of these patents, DSS has worked to expand its business efforts regarding LED technology. DSS is pursuing both licensing and

exploitation of this technology acquisition, and is establishing those activities within its Plano location.

3. On information and belief, Cree, Inc. is a North Carolina corporation with its principal place of business at 4600 Silicon Drive, Durham, North Carolina 27703-8475.

Defendant Cree, Inc. can be served through its registered agent, Bradley D. Kohn, 4600 Silicon Drive, Durham, North Carolina 27703-8475.

JURISDICTION AND VENUE

4. This action arises under the patent laws of the United States, Title 35 of the United States Code. Accordingly, this Court has subject matter jurisdiction under 28 U.S.C. §§ 1331 and 1338(a).

5. This Court has personal jurisdiction over Defendant in this action because, among other reasons, Defendant has committed acts within the Eastern District of Texas giving rise to this action and has established minimum contacts with the forum state of Texas. Defendant directly and/or through subsidiaries or intermediaries (including distributors, retailers, and others), has committed and continues to commit acts of infringement in this District by, among other things, making, using, importing, offering for sale, and/or selling products and/or services that infringe the patents-in-suit. Thus, Defendant purposefully availed itself of the benefits of doing business in the State of Texas and the exercise of jurisdiction over Defendant would not offend traditional notions of fair play and substantial justice. Cree is registered to do business in the State of Texas, and has appointed CT Corporation System, 1999 Bryan Street, Suite 900, Dallas, Texas 75201-3136 as its agent for service of process.

6. Venue is proper in this District under 28 U.S.C. §§ 1391 (b)-(c) and 1400(b) because Defendant is subject to personal jurisdiction in this District, has transacted business in

this District and has committed acts of patent infringement in this District.
