13 Today, Garmin will be moving to extend the summary judgment and trial deadlines until
14 after the PTAB issues its final written decision regarding the instituted IPR for the asserted '233
15 Patent. Today, Garmin will file its motion and will be setting the hearing date on its motion to
16 extend all deadlines for February 26, 2021. Philips intends to oppose Garmin’s motion to extend
17 the summary judgment deadline and trial date, but nonetheless agrees to the more limited
18 extension in the attached stipulation in order for the Court to have time to decide Garmin’s
19 motion before the Parties begin drafting opening summary judgment motions.

Respectfully submitted,
