17

Pursuant to Federal Rule of Civil Procedure 26(c), Civil Local Rules 7-11 and 79-5, Plaintiff, Finjan, Inc. ("Finjan"), brings this Administrative Motion to File Documents Under Seal for the 4 documents identified below, which contain information identified by Defendant Juniper Networks, Inc. 5 ("Juniper") as "Confidential," "Highly Confidential - Attorneys' Eyes Only," or "Highly Confidential -6 Source Code" under the protective order in this action (Dkt. No. 149). Based on Juniper's designation, 7 there exist good cause and compelling reasons to file the following document under seal:

8 9 10	Identification of Documents	Specific Page and Line Numbers to Seal	Entity that Designated the Information to be Confidential	Reason to Keep Sealed
11 12	Plaintiff Finjan, Inc.'s Corrected Response to Order to Show Cause	Page 1, line 10 through Page 11, Line 7	Juniper	Describes information that Juniper produced with a confidentiality designation.

II. ARGUMENT

This Administrative Motion to File Documents Under Seal should be granted because good cause and compelling reasons exist to seal the documents identified above. Finjan seeks to seal only those documents and portions of documents that Juniper identified as containing confidential information pursuant to the Protective Order.

18 Finjan seeks to seal the documents described above because they contain information that 19 Juniper has designated as "Confidential," "Highly Confidential – Attorneys' Eyes Only," or "Highly 20 Confidential – Source Code." Specifically, these designated documents contain information on the 21 operation of Juniper's products and its source code, the public disclosure of which Juniper claims could 22 harm its business. Pursuant to Civil Local Rule 79-5, Finjan has filed publicly the relevant excerpts of 23 information that are not confidential. Attached hereto are redacted and unredacted versions of the 24 documents set forth above.
