Dear Christoph and Stefan,

The FTP site below contains documents that were filed under seal this evening at Dkt. No. 434 in case no. 3:14-cv-05659-WHA, *Finjan, Inc. v. Juniper Networks, Inc.* (N.D. Cal.). As we've mentioned before, Joe Security must abide by Local Rule 79 if it wishes to keep these documents confidential.

These documents will also be served on you by mail. Please let me know if you consent to accept electronic service related to future filings in this matter so that we can save the redundant paperwork going forward.

Best,
Josh
