Attorneys for Plaintiff, FINJAN, INC.

UNITED STATES DISTRICT COURT

NORTHERN DISTRICT OF CALIFORNIA, SAN FRANCISCO DIVISION

FINJAN, INC.,

Plaintiff,

v.

JUNIPER NETWORKS, INC.,

Defendant.

Case No. 3:17-cv-05659-WHA

[PROPOSED] ORDER GRANTING
FINJAN'S MOTION TO SEAL

Finjan's Motion to Seal portions of this Court's *Daubert* Order of December 3, 2018 (Dkt. 283) was brought before this Court. Upon consideration of the motion and the supporting papers, the Court finds that compelling reasons exist to grant the motion. Specifically, the Court finds that:

1. The interest of Finjan and its third-party licensees in maintaining confidentiality of the specific lines of material recited below outweighs the right of public access to said material:

Identification of Documents or Portions of Document to be Sealed	Portion of Document to Be Sealed	Designating Party
Order on <i>Daubert</i> Motions (Dkt. 283)	Page 9, lines 8–14 Page 10, line 7	Finjan

2. A substantial probability exists that the confidentiality interests of Finjan and its third-party licensees will be prejudiced if the specific lines of material above are not sealed; and

3. No less restrictive means exist to protect the interests of Finjan and its licensees.

IT IS THEREFORE ORDERED that Finjan's Motion to Seal be, and hereby is, GRANTED with respect to the specific lines of material set forth above.

Hon. William H. Alsup, U.S.D.J.
