**UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF CALIFORNIA
SAN JOSE DIVISION**

LYFT, INC.,
Plaintiff,

v.

AGIS SOFTWARE DEVELOPMENT LLC,
et al.,
Defendants.

Case No. 21-cv-04653-BLF

ORDER VACATING DATES

This case has been stayed since May 19, 2022, pending final decision of EPR and IPR proceedings. *See* ECF No. 135. Although the Court left intact the trial schedule in hopes that PTAB proceedings would have concluded, that result has not occurred. Previously, in its case management order, the Court set the last day to hear dispositive motions for May 25, 2023. *See* ECF No. 59. As it is now within 35 days of May 25, 2023, and no motions have been filed, the hearing on dispositive motions is hereby VACATED. *See* Civil L.R. 7-2(a). Under these circumstances, the Court will also VACATE the trial and final pretrial conference dates. The Court will reset the case schedule when the stay is lifted.

IT IS SO ORDERED.

Dated: April 24, 2023

BETH LABSON FREEMAN
United States District Judge

United States District Court
Northern District of California
