LYFT, INC.'S FIRST SET OF INTERROGATORIES

Pursuant to Federal Rule of Civil Procedure 33, the Local Rules of this Court, and The Court's January 28, 2022 Order, Plaintiff Lyft, Inc. ("Lyft") hereby submits this first set of jurisdictional interrogatories to AGIS Software Development LLC ("AGIS Software"), Advanced Ground Information Systems, Inc. ("AGIS, Inc."), and AGIS Holdings, Inc. ("AGIS Holdings"). Responses shall be provided to the office of Baker Botts L.L.P., 101 California Street, Suite 3600, San Francisco, CA 94111, or at such other places as counsel may agree upon, within thirty (30) days of service of these Interrogatories.

DEFINITIONS

The following definitions are set forth for the purposes of these interrogatories and should be considered part of each interrogatory.

- 1. Preliminary Definitions: The present tense includes the past and future tenses. The singular includes the plural, and the plural includes the singular. The terms "any" and "all" shall be construed as "any and all." "Including" means "including but not limited to." Words in the masculine, feminine, or neuter form shall include each of the other genders. The use of a verb in any tense shall be construed as the use of the verb in all other tenses. The terms "and" and "or" are terms of inclusion and not of exclusion and are to be construed either disjunctively or conjunctively as necessary to make the request inclusive rather than exclusive. The use of the term "the" shall not be construed as limiting the scope of any request.
- 2. "Lyft" and "Plaintiff" mean plaintiff Lyft, Inc. as well as any agents, affiliates, or other persons acting on Lyft's behalf.
- 3. "AGIS," "Defendant," "You," or "Your" means defendant AGIS Software Development LLC ("AGIS Software") and includes, without limitation, (a) any of its divisions, departments, or other organizational or operational units; (b) all of its predecessor or successor companies, corporations, or other business entities, including its parents and affiliates (specifically including Advanced Ground Information Systems, Inc. ("AGIS, Inc.") and AGIS Holdings, Inc. ("AGIS Holdings")); (c) all present and former officers, directors, employees, consultants, agents,

directly or indirectly.

3

4. "Third Party" or "Third Parties" means anyone other than Lyft or AGIS.

attorneys, affiliates, or others acting or purporting to act in whole or in part with any of the foregoing,

- 5. "Person" means any natural person, proprietorship, association, partnership, firm, corporation, joint venture, government, or other legal entity, and shall include the owners, officers, directors, agents, trustees, parents, subsidiaries, affiliates, assigns, predecessors, and successors of such "Person."
- 6. "Document" shall have the broadest meaning permitted under the Federal Rules of Civil Procedure and the Federal Rules of Evidence, and includes writings, recordings, photographs, phonorecords, videos, drawings, charts, and other graphic matter that is or has been in AGIS's actual or constructive possession or control. "Document" includes any tangible expression regardless of the manner or medium in which the record is produced, reproduced, or stored, including without limitation any written, printed, typed, recorded, photographed, photocopied, taped, graphic, or other matter, in whatever form and whether in final or draft form. "Document" further includes electronically stored information, including without limitation electronic mail, electronic information stored on computer drives, diskettes, tapes, CDs, or other computer media, as well as any other information stored magnetically, electronically, optically, or mechanically. A draft or non-identical copy is a separate document within the meaning of this term. Any document bearing marks, including, without limitation, initials, stamped indicia, comments, or notations not part of the original document or photographic reproduction thereof, is a separate document.
- 7. "Communication" means, without limitation, any transmittal of information in the form of facts, ideas, inquiries or otherwise, whether written, oral, or visual, and whether in person or by telephone, letter, or any other medium and any attachments thereto. A document or thing transferred, whether temporarily or permanently, from one person to another shall be deemed to be a communication between such persons whether or not such document or thing was prepared or created by the transferor or addressed to the transferee.
- 8. "Concerning," "concern(s)," "referring to," "relating to," "related to," "relate(s) to", "pertaining to," or "pertain(s) to" shall mean identifying, referring to, concerning, evidencing,

demonstrating, summarizing, reflecting, constituting, containing, embodying, mentioning, pertaining to, commenting on, connected with, discussing, describing, analyzing, showing, comprising, illustrating, stating, dealing with, responding to, involving, recording, supporting, negating, or relating to in any way relevant to a particular subject, in whole or in part, either directly or indirectly.

- 9. As used herein, "identify" has the following meaning:
 - a) When used with respect to a Person, "identify" means to give, to the extent known, the person's full name, present or last known address, and when referring to a natural person, additionally, the present or last known place of employment.
 - b) When used in relation to a Document, "identify" means to state: (i) the date the Document was created; (ii) the author(s) of the Document; (iii) the recipient(s) of the Document; (iv) any person or entity receiving a copy of the Document by "cc," "bcc," or otherwise; (v) a basic description of the nature of the Document, including, if applicable; (vi) the title of the Document; and (vii) whether the Document has been or is being produced in this litigation, the Bates or identifier number affixed to the Document. Documents to be "identified" include Documents in AGIS's possession, custody, or control, Documents known by AGIS to have existed but no longer exist, and other Documents of which AGIS has knowledge or information.
 - c) As used with respect to an event, "identify" means to provide a description of the event, the date of the event, the location of the event, and any participants in the event.

INSTRUCTIONS

The following instructions apply to the interrogatories below and should be considered part of each interrogatory.

1. These instructions and definitions should be construed to require answers based upon the knowledge of, and information available to, the responding party as well as its agents, representatives, and, unless privileged, attorneys. It is intended that the following discovery requests will not solicit any material protected either by the attorney/client privilege or work product doctrine

DOCKET

Explore Litigation Insights

Docket Alarm provides insights to develop a more informed litigation strategy and the peace of mind of knowing you're on top of things.

Real-Time Litigation Alerts

Keep your litigation team up-to-date with **real-time** alerts and advanced team management tools built for the enterprise, all while greatly reducing PACER spend.

Our comprehensive service means we can handle Federal, State, and Administrative courts across the country.

Advanced Docket Research

With over 230 million records, Docket Alarm's cloud-native docket research platform finds what other services can't. Coverage includes Federal, State, plus PTAB, TTAB, ITC and NLRB decisions, all in one place.

Identify arguments that have been successful in the past with full text, pinpoint searching. Link to case law cited within any court document via Fastcase.

Analytics At Your Fingertips

Learn what happened the last time a particular judge, opposing counsel or company faced cases similar to yours.

Advanced out-of-the-box PTAB and TTAB analytics are always at your fingertips.

API

Docket Alarm offers a powerful API (application programming interface) to developers that want to integrate case filings into their apps.

LAW FIRMS

Build custom dashboards for your attorneys and clients with live data direct from the court.

Automate many repetitive legal tasks like conflict checks, document management, and marketing.

FINANCIAL INSTITUTIONS

Litigation and bankruptcy checks for companies and debtors.

E-DISCOVERY AND LEGAL VENDORS

Sync your system to PACER to automate legal marketing.
