ResearchGate

ResearchGate is the professional network for scientists and researchers. Over 19 million members from all over the world use it to share, discover, and discuss research. We're guided by our mission to connect the world of science and make research open to all.

About

It started when two researchers discovered first-hand that collaborating with a friend or colleague on the other side of the world was no easy task.

Founded in 2008 by physicians [Dr. Ijad Madisch](#) and [Dr. Sören Hofmayer](#), and computer scientist [Horst Fickenscher](#), ResearchGate has more than 19 million members today. We strive to help them make progress happen faster.

Here's how it works

- Share your publications, access millions more, and publish your data. 
- Connect and collaborate with colleagues, peers, co-authors, and specialists. 
- Get stats and find out who's been reading and citing your work. 
- Ask questions, get answers, and solve research problems. 
- Find the right job using our research-focused job board. 
- Share updates about your current project, and keep up with the latest research.
