## Case 5:16-cv-00349-NC Document 17 Filed 04/01/16 Page 2 of 3

Pursuant to Northern District of California Civil Local Rules 6-3 and 7-11, Plaintiff Yahoo! Inc. ("Yahoo") hereby moves the Court to continue the Initial Case Management Conference currently set for April 20, 2016. Yahoo filed a complaint against Kudelski SA and OpenTV, Inc. ("Defendants") seeking declaratory judgment of patent non-infringement and invalidity on January 21, 2016. Dkt. No. 1. On that same day, an Initial Case Management Conference was set for April 20, 2016, and the case was referred to Magistrate Judge Cousins. Dkt. No. 11. Defendants returned waivers of service of summons on February 11, 2016. Dkt. Nos. 15 & 16. The deadline to file responsive pleadings is April 11, 2016. Id. The deadline to file the Joint Case Management Statement is currently April 13, 2016. Dkt. No. 11. While Yahoo has consented to have Judge Cousins conduct all further proceedings in this case, Dkt. No. 14, counsel for Defendants have not yet appeared and so have not indicated whether or not they consent. Further, in light of the deadline for responsive pleadings, the parties have not had the opportunity to conduct a Rule 26(f) conference. The schedule has not previously been modified in this case, and no deadlines have been set beyond the Initial Case Management Conference. In light of the foregoing, Yahoo requests that the Initial Case Management Conference be continued until such time as counsel for Defendants appear and file a responsive pleading, and the parties have adequate time to conduct a Rule 26(f) conference. Counsel for Defendants do not oppose this request. Miller Decl. ¶ 2. **DURIE TANGRI LLP** Dated: April 1, 2016 /s/ Laura E. Miller LAURA E. MILLER Attorneys for Plaintiff YAHOO! INC.
