1 WHEREAS, on April 26, 2022, the Court ordered third-parties Brilliant Digital
2 Entertainment, Inc., Claria Innovations, LLC, Europlay Capital Advisors, LLC, and Monto
3 Holdings Pty Ltd (collectively, “Third-Parties”) to provide Amazon.com, Inc., Amazon Web
4 Services, Inc., and Twitch Interactive, Inc. (collectively, “Amazon”) by May 26, 2022 with
5 “complete responses to the requests for production and produce the responsive documents within
6 any of their possession, custody, or control including electronic communications such as email, as
7 well as a privilege log reflecting any documents or communications withheld under a claim of
8 privilege or protection,” in response to Amazon’s subpoenas seeking post-judgment discovery
9 (Dkts. 746, 733-1, 733-2, 733-3);

10 WHEREAS, the Third-Parties desire additional time to comply with the Court’s Order, and
11 Amazon is amenable to giving the Third-Parties such additional time subject to certain conditions
12 to ensure their full compliance with the Order;

13 WHEREAS, the Third-Parties agree that they will:

- 14 (1) By May 26, 2022, will provide complete responses to the requests for production
15 consistent with the Court’s previous orders (Dkts. 738, 746), including by
16 responding to each request that they will “produce the responsive documents within
17 any of their possession, custody, or control including electronic communications
18 such as email, as well as a privilege log reflecting any documents or communications
19 withheld under a claim of privilege or protection”;
- 20 (2) By May 26, 2022, will produce the reports by Robb Evans & Associates concerning
21 the receivership over PersonalWeb Technologies, LLC (“PersonalWeb”) and any
22 other communications between any of the Third-Parties, on the one hand, and the
23 receiver Robb Evans, on the other (including any communications from or through
24 counsel or prospective counsel), including but not limited to communications
25 concerning the California Superior Court receivership over PersonalWeb,
26 PersonalWeb or the PersonalWeb collateral or estate, or the California Superior
27 Court receivership action (Superior Court, County of Los Angeles, Civ. A. No.
28 21VECV00575), and without asserting any such documents are privileged;

- (4) Produce all documents in single-page TIFFs format with load files for e-discovery software that includes metadata fields (*i.e.*, document type; custodian and duplicate custodians (or storage location if no custodian); author/from; recipient/to, cc and bcc; title/subject; email subject; file name; file size; file extension; original file path; date and time created, sent, modified and/or received; and hash value) identifying natural document breaks and also includes companion OCR and/or extracted text files;

WHEREAS, the Third-Parties have represented that they possess a substantial volume of documents to produce in connection with (2) above, and that representation was material to Amazon’s agreement to enter this stipulation to extend the Court’s deadline for compliance as to the remainder of the production;

NOW, THEREFORE, IT IS HEREBY STIPULATED AND AGREED amongst Amazon and Third-Parties, subject to the approval of the Court:

- (1) By May 26, 2022, Third-Parties agree to provide complete responses to the requests for production consistent with the Court’s previous orders and as set forth above (Dkts. 738, 746);
