**SUPPLEMENTAL BRIEF RE REQUEST
 OF AMAZON.COM, INC., AMAZON
 WEB SERVICES, INC., AND TWITCH
 INTERACTIVE, INC. FOR STATUS
 CONFERENCE**

JUDGE: Hon. Susan van Keulen

1 Amazon submits this supplement to provide the Court with an update on new developments
2 after Amazon filed its request for a status conference (Dkt. 807).

3 PersonalWeb and Amazon have reached an agreement that PersonalWeb will bulk produce
4 approximately 44,000 of the remaining privilege screen documents by next Monday, December 5th.
5 The parties agree that this obviates the need for the Court to address the speed of PersonalWeb's
6 production at this time. Amazon will continue to confer with PersonalWeb concerning the timing
7 of the remainder of its rolling production.

8 PersonalWeb and Stubbs Alderton have informed Amazon that the set of 200 documents
9 PersonalWeb received from Stubbs Alderton on November 23, 2022 was affected by a technical
10 error, and that the file transfer should have included 20,000 documents. But Amazon is still
11 concerned about the unreasonable limits Stubbs Alderton imposed on the collection, Stubbs
12 Alderton's refusal to provide information in response to Amazon's requests including whether
13 responsive documents are being withheld and on what grounds, and PersonalWeb's deference to
14 Stubbs Alderton concerning compliance with the Court's order. For that reason, Amazon still
15 respectfully requests that the Court set a conference and require Stubbs Alderton to attend.

16
17 Respectfully submitted,

18 Dated: December 2, 2022
