Ron,

Per our discussion, I am introducing Antony Neumann, cc'd above.

He works with Brilliant Digital and is very familiar with the Personalweb, LLC situation, and Brilliant Digital is the indirect largest shareholder and secured creditor through its subsidiary, Kinetech. Anthony also works with Monto, another secured creditor.

I think the clients should be Brilliant Digital, Kinetech and Monto, unless you think otherwise.

Anthony will call you and give you access to a box folder with the Loan and Security Agreements, Capital structure, and UCCs, as well as a copy of the judgment Amazon received

Please call with Questions

Best regards

Murray
