17)

18 Defendant Demaray LLC (“Demaray”) hereby moves under Local Rule 6-3 to extend the
19 time within which it is required to respond to Plaintiff Applied Materials, Inc.’s (“Applied
20 Materials”) Motion for Preliminary Injunction to September 25, 2020. Applied Materials filed its
21 Motion for Preliminary Injunction on Friday, September 4 (Dkt. 14) and provided an email copy
22 of its motion and supporting papers to counsel for Demaray that evening requesting agreement to
23 email service. Declaration of C. Maclain Wells (“Wells Decl.”), ¶ 2. Given the holiday weekend,
24 counsel for Demaray responded on Wednesday, September 9, agreeing to accept service of the
25 motion. *Id.*

26 Given the timing of Applied Materials’ motion, the intervening holiday, the location of
27 individuals involved and the issues raised in Applied Materials’ September 1, 2020, First
28

1 Amended Complaint and Applied Materials' Preliminary Injunction Motion, Demaray seeks an
2 extension of time to file its opposition to September 25. *Id.*, ¶ 3. In particular, Demaray has just
3 two weeks to prepare its response under the timeframes provided under the Local Rules and would
4 be prejudiced by being required to attempt to marshal information required to fully respond in the
5 provided timeframe. *Id.* There have been no other extensions of time in this matter. *Id.*, ¶ 4.
6 Applied Materials' motion is noticed for hearing on November 12, 2020. Dkt. 15. The requested
7 extension will not impact the noticed hearing date. *Id.* The parties have met and conferred and
8 Applied Materials has agreed to the extension.

9 For the foregoing reasons, Demaray requests that the Court grant this motion and issue an
10 order extending the deadline for Demaray to respond to Applied Materials' motion to September
11 25, 2020. Applied Materials does not oppose this motion.

13 Dated: September 11, 2020

Respectfully submitted,
