1 THE COURT: Good morning, everyone.

2 If I could have -- Suzanne, if you could announce
3 the case.

4 COURTROOM DEPUTY: Sure.

5 Markman Hearing in Civil Action W:20-CV-634,
6 styled Demaray LLC versus Intel Corporation; and Case No.
7 W:20-CV-636, styled Demaray LLC versus Samsung Electronics
8 Company Limited and others.

9 THE COURT: If I can have announcements from
10 counsel, please.

11 MR. MILVENAN: Good morning, Judge Albright. This
12 is Rick Milvenan from McGinnis Lochridge on behalf of
13 Plaintiff, Demaray LLC, joined by Maclain Wells and Ben
14 Hattenbach from Irell and Manella.

15 We have two client representatives with us today,
16 Dr. Ernest Demaray, who is one of the named inventors on
17 the patents at issue and also founder of Demaray LLC. He's
18 joined by Brian Martucci, who is a -- with Principal
19 Advisors and is a consultant to Demaray. Also joining us
20 is Dr. Alex Glew, that's G-l-e-w, who submitted a
21 declaration regarding claim construction in this matter.

22 THE COURT: Welcome to you, welcome to them, and
23 I'll tell you, Mr. Milvenan, you look like you're on the
24 set of Star Wars. So it's a very impressive set. I'm sure
25 Mr. Nash right now is jealous that you have such a neat

1 background, and he just has his office with one sad plant
2 sitting behind him.

3 MR. NASH: It is a very sad plant, Your Honor.
4 Brian Nash with Pillsbury Winthrop Shaw Pittman here on
5 behalf of the Samsung Defendants. I'm also joined with my
6 colleague, Austin Schnell. He is one room over because he
7 will be one of our speakers this morning on one of the
8 terms. So he wanted to have his own individual camera for
9 that purpose.

10 There's also a number of other law firms. So I'm
11 going to let each of them introduce themselves, as well as
12 which clients they represent. But I wanted to announce
13 that we have representatives from the Samsung Defendants in
14 attendance today, as well, Your Honor. That would include
15 names Jongsoo Lee, Jinsung Park, Beomjun Jin, Seungbum
16 Chung, and Do hyung Kim.

17 THE COURT: Well, they're certainly welcome. Are
18 they in the United States or in Asia?

19 MR. NASH: I think it -- they may be in various
20 locations, Your Honor.

21 THE COURT: Well, certainly for those -- welcome
22 all, but I appreciate them being here for the folks that
23 take -- make the effort to attend from Asia, a special
24 welcome, and my appreciation for them with the time
25 difference.

Explore Litigation Insights

Docket Alarm provides insights to develop a more informed litigation strategy and the peace of mind of knowing you're on top of things.

Real-Time Litigation Alerts

Keep your litigation team up-to-date with **real-time alerts** and advanced team management tools built for the enterprise, all while greatly reducing PACER spend.

Our comprehensive service means we can handle Federal, State, and Administrative courts across the country.

Advanced Docket Research

With over 230 million records, Docket Alarm's cloud-native docket research platform finds what other services can't. Coverage includes Federal, State, plus PTAB, TTAB, ITC and NLRB decisions, all in one place.

Identify arguments that have been successful in the past with full text, pinpoint searching. Link to case law cited within any court document via Fastcase.

Analytics At Your Fingertips

Learn what happened the last time a particular judge, opposing counsel or company faced cases similar to yours.

Advanced out-of-the-box PTAB and TTAB analytics are always at your fingertips.

API

Docket Alarm offers a powerful API (application programming interface) to developers that want to integrate case filings into their apps.

LAW FIRMS

Build custom dashboards for your attorneys and clients with live data direct from the court.

Automate many repetitive legal tasks like conflict checks, document management, and marketing.

FINANCIAL INSTITUTIONS

Litigation and bankruptcy checks for companies and debtors.

E-DISCOVERY AND LEGAL VENDORS

Sync your system to PACER to automate legal marketing.
