DUTY OF JURY

Members of the jury: You are now the jury in this case. It is my duty to instruct you on the law.

A copy of these instruction will be sent with you to the jury room for you to consult during your deliberations.

It is your duty to find the facts from all the evidence in the case. To those facts you will apply the law as I give it to you. You must follow the law as I give it to you whether you agree with it or not. And you must not be influenced by any personal likes or dislikes, opinions, prejudices or sympathy. That means that you must decide the case solely on the evidence before you. You will recall that you took an oath to do so.

Please do not read into these instructions, or anything I may say or do, that I have an opinion regarding the evidence or what your verdict should be.

WHAT IS EVIDENCE

The evidence you are to consider in deciding what the facts are consists of:

- 1. the sworn testimony of any witness;
- 2. the exhibits that are admitted into evidence;
- 3. any facts to which the lawyers have agreed; and
- 4. any facts that I have instructed you to accept as proved.

INSTRUCTION NO. 3

WHAT IS NOT EVIDENCE

In reaching your verdict, you may consider only the testimony and exhibits received into evidence. Certain things are not evidence, and you may not consider them in deciding what the facts are. I will list them for you:

- (1) Arguments and statements by lawyers are not evidence. The lawyers are not witnesses. What they may say in their opening statements, closing arguments and at other times is intended to help you interpret the evidence, but it is not evidence. If the facts as you remember them differ from the way the lawyers have stated them, your memory of them controls.
- (2) Questions and objections by lawyers are not evidence. Attorneys have a duty to their clients to object when they believe a question is improper under the rules of evidence. You should not be influenced by the objection or by the court's ruling on it.
- (3) Testimony that is excluded or stricken, or that you are instructed to disregard, is not evidence and must not be considered. In addition some evidence may be received only for a limited purpose; when I instruct you to consider certain evidence only for a limited purpose, you must do so and you may not consider that evidence for any other purpose.
- (4) Anything you may see or hear when the court was not in session is not

evidence. You are to decide the case solely on the evidence received at the trial.
