UNITED STATES DISTRICT COURT
SOUTHERN DISTRICT OF CALIFORNIA

The Scripps Research Institute,
Plaintiff,
v.
Illumina, Inc.,
Defendant.

Case No.: 16-cv-00661-JLS-BGS
**ORDER GRANTING JOINT
MOTION TO AMEND CASE
MANAGEMENT ORDER**
[ECF No. 69]

On February 13, 2018, Plaintiff The Scripps Research Institute and Defendant Illumina, Inc. filed a Joint Motion to Amend the Case Management Order (ECF No. 69) currently in effect. (*See* ECF No. 45.) In the Motion, the parties request that the Court continue four deadlines related to expert and fact discovery. (ECF No. 69 at 2.) The request stems from additional deadlines related to claim construction briefing. (*Id.* at 2-3.) The parties emphasize that the requested changes “will not impact the close of all discovery set for August 3, 2018, the dispositive motion deadline set for August 17, 2018, or the Pretrial Conference date set for October 18, 2018.” (*Id.*)

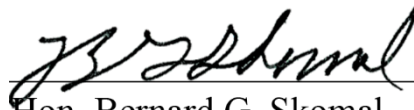

Accordingly, good cause appearing, the Joint Motion to Amend the Case Management Order (ECF No. 69) is **GRANTED**. The Case Management Order is modified as follows:

EVENT	CURRENT DATE	MODIFIED DATE
Substantial completion of document production	March 12, 2018	April 6, 2018
Expert disclosures required by Fed. R. Civ. P. 26(a)(2)	March 12, 2018	June 1, 2018
Contradictory or rebuttal disclosures within the meaning of Rule 26(a)(2)(D)(ii)	April 2, 2018	June 29, 2018
Completion of fact discovery	May 11, 2018	May 25, 2018

All other dates and deadlines in the Case Management Order (ECF No. 45) **remain in effect.**

IT IS SO ORDERED.

Dated: February 14, 2018

 Hon. Bernard G. Skomal
 United States Magistrate Judge
