

**BEFORE THE
UNITED STATES JUDICIAL PANEL ON
MULTIDISTRICT LITIGATION**

In re Realtime Adaptive Streaming LLC Patent Litigation

MDL-_____

**PLAINTIFF REALTIME ADAPTIVE STREAMING LLC’S MOTION FOR TRANSFER
OF ACTIONS TO THE DISTRICT OF COLORADO PURSUANT TO 28 U.S.C. § 1407
FOR COORDINATED OR CONSOLIDATED PRETRIAL PROCEEDINGS**

Pursuant to 28 U.S.C. § 1407, Plaintiff Realtime Adaptive Streaming LLC (“Realtime”) respectfully moves this Panel for an Order centralizing the 12 related federal actions described in the Schedule of Actions attached as Exhibit A, and any subsequently filed related actions, to Judge R. Brooke Jackson in the U.S. District Court for the District of Colorado. Specifically, three of the 12 related federal actions described in Exhibit A are currently in the District of Colorado, so the remaining 9 cases currently pending in the Eastern District of Texas, the Central District of California, the District of Delaware and the District of Massachusetts should be transferred to the District of Colorado. The new, consolidated multidistrict litigation will be a patent infringement action involving Realtime, United States Patent Nos. 7,386,046 (“the ’046 patent”), 8,867,610 (“the ’610 patent”), 8,929,442 (“the ’442 patent”), 8,934,535 (“the ’535 patent”), 9,762,907 (“the ’907 patent”), and 9,769,477 (“the ’477 patent”), 8,634,462 (“the ’462 patent”), 9,578,298 (“the ’298 patent”) (collectively, the “asserted patents”), as well as the makers and sellers of services/devices that infringe the asserted patents. Realtime’s brief in support of the motion to transfer is being filed concurrently.

Dated: April 10, 2018

Respectfully submitted,

/s/ C. Jay Chung_____
