ORDER: GRANTED

## SCHEDULING ORDER

The parties' proposed scheduling order as attached to this motion, #102, is hereby approved and adopted as follows. Failure to comply with these orders may result in sanction, which may include fine, exclusion of evidence at trial, dismissal, default or non-suit.

It is hereby ordered that by the agreed dates: all dispositive motions shall be filed, a certificate of closed pleadings shall be filed, and all discovery shall be completed. The court may decline to entertain any issues regarding discovery after the discovery cut off date.

Caseflow is directed to schedule trial based on the proposed dates and scheduling availability on the trial docket. Caseflow is also directed to schedule a final trial management/settlement conference at least two weeks before the trial date. All counsel and self-represented parties shall appear at the conference and be prepared to engage in settlement negotiations. All clients (and insurance adjusters as applicable) shall also appear or be immediately available by telephone. Any party may request an earlier judicial pretrial through the clerk's office by filing a caseflow request form.

The Court Also Issues the Following Additional Orders.

The Parties Shall Make Good Faith Efforts to Resolve Discovery Disputes Before Filing Any Motions or Objections Regarding Same. In Accordance with P.B. The Parties Are Ordered to Resolve All Discovery Disputes Through Motions or Objections Available under Chapter 13 of the Practice Book Before the Date for Completion of Discovery. Motions in Limine, and Motions to Preclude Filed at the Time of Trial May Not Be Entertained by the Court When Directed

at Discovery Issues That Could Have Been Addressed and Resolved Through Pretrial Remedies  
Available under Chapter 13 of the Practice Book.

Mailed to all appearing parties.
