ORDER

ORDER REGARDING:

11/19/2018 122.00 MOTION FOR ORDER OF COMPLIANCE – PB SEC 13-14 (INTERR/PROD – 13-6/13-9)

The foregoing, having been considered by the Court, is hereby:

ORDER:

The following are the court's rulings concerning discovery requests identified in the defendant's motion for order of compliance:

1. Interrogatory No. 30: Plaintiff's objection is sustained.
2. Interrogatory No. 32: Plaintiff's objection is overruled and the plaintiff is directed to respond by February 4, 2019.
3. Request for Production No. 25: As phrased the request seeks records for employers for whom the plaintiff has worked since her termination. The plaintiff's response states that responsive information will be provided for employment information subsequent to the termination. Under these circumstances, the defendant's argument as to the years prior to the plaintiff's separation from employment with the defendant is not supported. In addition, the records release form has not been provided for the court to review.

The plaintiff is directed to provide her response as to employment information subsequent to the termination by February 4, 2019. The motion to compel is otherwise denied as to this request.

Request for Production No. 29: The plaintiff's objection is sustained. The court notes also that the Instructions and Definitions were not provided to the court.

Judicial Notice (JDNO) was sent regarding this order.
