**Re: *Robert Bosch LLC v. Alberee Products, Inc., et al.*
(C.A. No. 12-574-LPS)(Cons.)**

Dear Chief Judge Stark:

We represent the plaintiff in the above-captioned matter and write to correct inaccuracies in defendant Costco's February 19, 2016, letter submission.

In its letter, Costco alleges that a contract document recently produced by Robert Bosch GmbH had been withheld from production by Robert Bosch LLC, and that the document's contents show that "the pretrial discovery process in this case was compromised and warrants dismissal of the SAC with prejudice."

However, the document on which Costco bases this most recent request for dismissal is the global terms-and-conditions agreement applicable to sales by the Bosch group of companies to Ford Motor Company and its affiliates. It is a document to which Robert Bosch LLC did have access in the ordinary course of its business. Robert Bosch LLC therefore produced the document to Costco ten months ago, on April 23, 2015. It was Bates labeled BLLC1254358-392.

Respectfully,

/s/ Bindu A. Palapura
