Dear Chief Judge Stark:

In connection with the above-referenced actions and pursuant to the Court's Order, dated December 30, 2019 (D.I. 177 in C.A. No. 12-1595), we write on behalf of all parties in response to the Court's direction to file a proposed schedule for briefing on the application of the Court's ruling on asserted dependent claims. In light of the Court's statements at the hearing and the bases for the Court's rulings, Plaintiff Arendi S.A.R.L. has decided not to pursue separate responses and rulings on the remaining claims of the '993 and '356 patents. For purposes of appeal, if any, Arendi is amenable to having the Court's ruling on the representative claims apply to the remaining claims of the '993 and '356 patents.

At the December 20, 2019 hearing, the Court referred to the dependent claim(s) of the '854 patent. After claim construction, the only '854 patent claim before the Court as to the eligibility question was claim 93. Accordingly, no additional response is needed as to the '854 patent. Arendi reserves its rights as to appeal of the eligibility and indefiniteness rulings.

The parties have conferred and agree that further briefing is unnecessary.

We are available at the Court's convenience should Your Honor have any questions.

Respectfully submitted,

/s/ Eve H. Ormerod
