(Proceedings commenced in the courtroom beginning at 3:00 p.m.)

**THE COURT:** Please have a seat. Let's get situated. I have this paper here. They are still building my courtroom, so I rotate around the building to different places.

Good to see everybody. Let's have appearances please.

**MR. TAYLOR:** Good afternoon, Your Honor. Daniel Taylor, Smith Katzenstein & Jenkins for Arendi. With me are cocounsel from Susman Godfrey, John Lahad, Kemper Diehl, Seth Ard, and Max Straus.

**THE COURT:** Good afternoon, everyone.

**MR. TAYLOR:** On the phone we have Kalpana Srinivasan, also from Susman Godfrey, and my colleague Neal Belgam from Smith Katzenstein is here in the back.

**THE COURT:** Great. Good afternoon, everybody.

**MR. MOORE:** Good afternoon, Your Honor.

**THE COURT:** Hi.

**MR. MOORE:** David Moore from Potter Anderson on behalf of Google. I'm joined by Rob Unikel, Chad Peterman, and also Andrea Roberts is on the phone. They're all from Paul Hastings. We are also joined by

1 Vinny Ling, from Munger, Tolles, and Marisa Williams from  
2 Google.

3 **THE COURT:** Fantastic. Good to see everybody.  
4 Please have a seat.

5 All right. So we're here for the pretrial  
6 conference today. This case, when it was filed, predates  
7 my time on the court. It's been going on for a while. I  
8 know there's a lot of history here, and we tried our best  
9 to get up to speed in terms of how we got to where we are  
10 sitting today, but I may have some questions as we go  
11 through some of the disputes today about what exactly  
12 we're talking about. Clearly, you all know this case  
13 better than we do.

14 So let me first, if we could, talk about the  
15 outstanding motions. One of them I'm ready to rule on. I  
16 don't need to hear argument. The other, I have some  
17 questions about. So let's start with Google's Motion to  
18 Strike Portions of Mr. Weinstein's supplemental expert  
19 report regarding damages.

20 I reviewed the parties' submissions on that.  
21 The Court's ruling is that Google's motion is going to be  
22 denied. I disagree with Google that the dispute was  
23 properly brought as a motion to strike.

24 I agree with Arendi that what Google  
25 essentially seeks is a pretrial ruling that infringement

# Explore Litigation Insights

Docket Alarm provides insights to develop a more informed litigation strategy and the peace of mind of knowing you're on top of things.

## Real-Time Litigation Alerts

Keep your litigation team up-to-date with **real-time alerts** and advanced team management tools built for the enterprise, all while greatly reducing PACER spend.

Our comprehensive service means we can handle Federal, State, and Administrative courts across the country.

## Advanced Docket Research

With over 230 million records, Docket Alarm's cloud-native docket research platform finds what other services can't. Coverage includes Federal, State, plus PTAB, TTAB, ITC and NLRB decisions, all in one place.

Identify arguments that have been successful in the past with full text, pinpoint searching. Link to case law cited within any court document via Fastcase.

## Analytics At Your Fingertips

Learn what happened the last time a particular judge, opposing counsel or company faced cases similar to yours.

Advanced out-of-the-box PTAB and TTAB analytics are always at your fingertips.

## API

Docket Alarm offers a powerful API (application programming interface) to developers that want to integrate case filings into their apps.

## LAW FIRMS

Build custom dashboards for your attorneys and clients with live data direct from the court.

Automate many repetitive legal tasks like conflict checks, document management, and marketing.

## FINANCIAL INSTITUTIONS

Litigation and bankruptcy checks for companies and debtors.

## E-DISCOVERY AND LEGAL VENDORS

Sync your system to PACER to automate legal marketing.
