Re: *Arendi S.A.R.L. v. Google LLC*
C.A. No. 13-919-JLH

Dear Magistrate Judge Hall:

We write on behalf of non-party Samsung regarding its motion to seal certain portions of the trial transcript (the “Motion”) (D.I. 598). In preparing the redacted, public version of the Motion for filing, we discovered that three references to the term “Samsung” in the index of the transcript were inadvertently marked for redaction. The references are at 1116:4, 1122:15, and 1562:25. Subject to entry of an order in the interim, these three references will not be redacted in the exhibits to the public version of the Motion to be filed on Monday, August 21, and they should not be redacted in the final trial transcript. We apologize for any inconvenience this oversight may have caused.

Should Your Honor have any questions regarding the foregoing, counsel for Samsung are available at the Court’s convenience.

Respectfully,

/s/ Adam W. Poff
