The Honorable Richard G. Andrews  
U.S. District Court for the District of Delaware  
J. Caleb Boggs Federal Building  
Wilmington, Delaware 19801

**Re:** *Hospira Inc. v. Amneal Pharmaceuticals LLC*, C.A. No 15-697-RGA

Dear Judge Andrews:

I write on behalf of both parties regarding the submission of hyper-linked briefs. Originally, post-trial briefing in this matter was to be completed by October 19, 2017 and hyper-linked briefs were to be provided to the Court by October 26, 2017. The deadline for Defendant to file its reply brief on invalidity was extended to October 23, 2017 (D.I. 107). As a result of this extension, the parties request permission to file their respective hyper-linked briefs no later than October 30, 2017.

Respectfully submitted,

*/s/Arthur G. Connolly III*
