*Attorneys for Defendant OmniVision  
Technologies, Inc.*

Dated: January 23, 2019  
6065160 / 43303

Public Version Dated: February 5, 2019

I, Michelle Milunovic, declare as follows:

1. I am a resident of San Jose, California. I am over the age of 18 years.
2. I submit this declaration in support of Defendant OmniVision Technologies, Inc.'s ("OmniVision") Reply in Support of Motion for Redaction of the Transcript of the December 7, 2018 Discovery Teleconference in the above-referenced action. The matters set forth herein are based upon my personal knowledge.
3. I have been working at OmniVision in Santa Clara, California, since 2007, and I currently hold the position of Vice President of Sales for North America. My office is located at 4275 Burton Drive, Santa Clara, California. As the Vice President of Sales for North America, I am responsible for managing OmniVision's sales team for North America. In this role, I have overseen customer support.
4. Information regarding the identity, location, and business role of Don Boe, an OmniVision customer support representative based in Chicago who works with certain OmniVision customers; the identity of one of OmniVision's customers, Motorola Mobility LLC; and OmniVision's internal reporting practices regarding its associated customer support services is confidential to OmniVision.
5. It is my understanding that OmniVision would be put at a significant competitive disadvantage if its competitors were provided insight into how it provides customer support to customers whose identities are confidential, staffs its customer support team, and internally manages customer support reports, particularly in light of the competitive market for image sensors.

I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct.

Executed at Santa Clara, California on January 22, 2019.
