Subject: Acceleration Bay LLC v. Activision: Daubert Ruling
Date: Friday, August 31, 2018 12:15:00 PM

Aaron,

Based on the Court's recent Daubert ruling (Dkt. 579), Acceleration Bay no longer has a damages case to be presented to the jury. Please let us know if you agree and, if not, provide an explanation for the basis and amount of any damages claim you believe may have survived the Daubert ruling and are supported by Acceleration Bay's expert reports. Given the upcoming October trial date and all the preparations for that trial, we would appreciate your response by September 7, 2018. We are also available to meet and confer on this issue in the interim. In the event that there is dispute, we would like to promptly raise this issue with the Court.

Regards,
Kathleen
