03:15:0018 alternatives.
And so alternative A is that we could try the
03:15:10 20 infringement and willfulness case next week, bifurcate the
03:15:1721 damages. That would give me time to fully consider whether
03:15:2322 to exclude plaintiff's damages case on either Daubert or
03:15:30 23 Pennypack grounds, whether to grant summary judgment of no
03:15:3524 damages, whether to allow plaintiff to file supplemental
03:15:40 25 expert reports, if I decided to exclude the current damages

03:15:52 2 circumstances after input from counsel. That's alternative 03:15:58 3 Α. Alternative B is that I continue the trial next 03:15:58 4 week indefinitely and figure out a way to work through these 03:16:08 5 03:16:14 6 issues. And depending on how they work out, we can always 03:16:21 7 reschedule the trial. 03:16:24 8 So I'm not expecting -- what I'd like to do is have you all think about this, perhaps even talk to each 03:16:31 9 03:16:38 10 other, and sort of let me know what you think by some reasonable time, which I tend to think might be 5:30 today, 03:16:48 11 03:16:58 12 which you could file something on the docket or some other 03:17:0313 way communicate whatever your views are. 03:17:10 14 Any questions? 03:17:14 15 MR. ROVNER: Your Honor, this is Phil Rovner. 03:17:17 16 It appears we were able to get all counsel on the line, so 03:17:20 17 it's not just the two of us. But I heard you loud and clear, and we should be able to discuss this among 03:17:24 18 03:17:27 19 ourselves, hopefully in the next few hours. 03:17:31 20 THE COURT: Okay. And thank you, Mr. Rovner. I 03:17:3321 did know there were a lot more people on the line. I just 03:17:36 22 didn't think it was necessary, under the circumstances, to 03:17:3923 go through and have everyone identify themselves. But I do appreciate your making sure that that is the case. 03:17:44 24 Anything else? 03:17:47 25
