Re: Bristol-Myers Squibb Company, et al. v. Mylan Pharmaceuticals Inc.,
C.A. No. 17-cv-379-LPS

Dear Chief Judge Stark,

In preparation for the November 15, 2017 discovery dispute teleconference, Plaintiffs Bristol-Myers Squibb Company and Pfizer Inc. respectfully call to the Court's attention Defendant Mylan Pharmaceuticals Inc.'s Responses and Objections to Plaintiffs' First Set of Venue-Related Interrogatories and Requests for Production of Documents and Things, attached hereto as Exhibits A and B, respectively. These responses were served after Plaintiffs filed their discovery dispute letter. Plaintiffs respectfully submit that these responses are helpful to the Court's consideration of the discovery dispute with Defendant as they demonstrate Defendant's refusal to answer any venue-related discovery, including venue-related discovery that is specifically contemplated by *In re Cray Inc.* See, e.g., Exhibit A at 10-11.

We are available at the Court's convenience should Your Honor have any questions.

Respectfully submitted,

/s/ Michael J. Farnan
