**RE: *University of Massachusetts Medical School, et al. v. L'Oréal S.A., et al.***  
**(C.A. No. 17-cv-868-CFC-SRF)**

Dear Magistrate Judge Fallon:

Pursuant to the Court's December 2, 2019 Order, Plaintiffs University of Massachusetts and Carmel Laboratories (together, "Plaintiffs") submit the following letter regarding Plaintiffs' discovery issue set to be heard on December 9, 2019 at 2:00 p.m.

After the parties jointly requested a conference to resolve their discovery dispute regarding certain interrogatories served by Plaintiffs in July 2019, Defendant L'Oreal USA provided initial supplementary responses to the interrogatories at issue to provide narrative responses. Accordingly, Plaintiffs withdraw their request that the Court compel a response to these interrogatories, without prejudice to renewing that request if Defendant does not continue to timely update its responses.

We are available at the Court's convenience should Your Honor have any questions.

Respectfully submitted,

/s/ Brian E. Farnan
