Subject: Genentech v. Amgen, No. 18-cv-924 - Production of agreements

EXTERNAL SENDER

Eric,

Pursuant to Genentech's Requests for Production, we are in the process of producing relevant third-party settlement and licensing, and customer agreements. Two entities, McKesson Corporation and AbbVie Inc., have requested certain accommodations prior to production of their agreements with Amgen:

1. McKesson Corporation requested that Genentech agree to **limit access to the agreement to outside trial counsel and experts disclosed under the PO.**
2. AbbVie Inc. requested that (a) **only the agreement covering the US (i.e., not ex-US) be produced,** and (b) that Genentech agree **to limit access to the agreement to outside trial counsel and experts disclosed under the PO.**

Please confirm that Genentech agrees with these requests. If there is any objection, please be ready to discuss at today's meet and confer.

Thanks,

Priya Arora
