Team:

Hope you had a relaxing weekend. Was checking in to see if you guys had a chance to take a crack at some talking points [REDACTED] If it would be easier, I'm happy to get on a call at some point today and talk through what I am looking for. As a reminder, I have a call with [REDACTED]/their BD team tomorrow at 10am ET.

Thanks
Kunal

FYI. Sorry that I haven't had a chance to go through their feedback with you guys yet. Please note that they believe [REDACTED] that I disagree with that, and [REDACTED]

It would be great if this group could help me formulate some talking points that [REDACTED]

Let me know if any questions. I know it's a holiday weekend, but would be great to get some talking points by Monday if possible.

Many thanks,
