AFFIDAVIT OF DAVID MIKLAS

Before me, the undersigned officer duly authorized to administer oaths, appeared David Miklas, who after being first duly sworn, states as follows:

1. I am competent to testify, I am over the age of majority, and I am giving this statement based upon my personal knowledge. I am giving this Affidavit of my own free will and have not been threatened or intimidated in any way.

2. I was admitted to practice law in Florida in 1999. I worked with Attorney Beth Coke at the law offices of Richeson & Coke, P.A. for approximately 18 years so I am familiar with her experience and abilities concerning the practice of law as well as her legal reputation in the community.

3. During her employment at Richeson & Coke, P.A. and subsequently through Coke Employment Law, Ms. Coke has exclusively practiced labor and employment law.

4. I am aware that Ms. Coke is currently charging \$395 per hour. I am familiar with rates charged by other attorneys and believe this is a reasonable hourly rate in our community given Ms. Coke's experience and expertise.

5. At her request, I reviewed Ms. Coke's time records for CBI v. Wesley Richards.

I believe that the time spent is reasonable for the work performed.

I have read the foregoing and swear that it is true and correct.
