JUDGE BESSEN

ORDER ON MOTION TO ENFORCE JUDGMENT

On May 8, 2018 the Court entered a judgment in favor of Plaintiff following a jury trial. Plaintiff filed a motion to enforce that judgment on July 5, 2018, after not receiving payment. Defense counsel responded and promptly satisfied the judgment, explaining that the delay was inadvertently caused by a shift in firm affiliation. This Court now finds the matter RESOLVED and DENIES the motion as MOOT.

This 9th day of August, 2018.

Judge Diane E. Bessen
