ORDER

The court entered a Preliminary Case Management Order (“CMO”) in this action on September 3, 2019. The parties have failed to comply with the CMO, which required that they hold an early planning conference within thirty (30) days after the Defendant answered the complaint and to complete and file a proposed Scheduling Order within forty-five (45) days after the Defendant answered the complaint.

THEREFORE, IT IS HEREBY ORDERED that this case shall stand automatically dismissed for want of prosecution if a joint proposed Scheduling Order compliant with the dictates of the CMO, and in the form required by the court, is not filed within fifteen (15) days from the date of entry of this Order.

SO ORDERED, this 30th day of October, 2019.
