ORDER NO. 6: SETTING PROCEDURAL SCHEDULE

(June 25, 2021)

In accordance with the parties' proposed procedural schedule, submitted in response to Order No. 5, I hereby adopt the Procedural Schedule set forth in Appendix A of the joint proposal (and attached to this Order) as the procedural schedule in this Investigation, with the exception of the date for filing reply post-trial briefs. The date for this filing will be Monday, April 25, 2022. The due date for the final initial determination is set at Monday, June 27, 2022.

The adopted schedule assumes that the Markman hearing will be held by WebEx videoconference, and the parties should prepare accordingly.

Lastly, although the schedule assumes that witnesses will testify in real time (that is, that witness statements will not be used), they may need to testify via WebEx videoconference. If this cannot be accomplished, the schedule may need to be modified to use witness statements in lieu of direct testimony. The need for witness statements, and for any other accommodations, will be evaluated on an ongoing basis.

These dates and the forum for the scheduled hearings, either via WebEx or in-person, are subject to change because of restrictions and uncertainty due to the COVID-19 pandemic.

SO ORDERED.

Cameron Elliot
Administrative Law Judge
