

UNITED STATES INTERNATIONAL TRADE COMMISSION

Washington, D.C.

In the Matter of

CERTAIN WEARABLE ELECTRONIC
DEVICES WITH ECG FUNCTIONALITY
AND COMPONENTS THEREOF

Inv. No. 337-TA-1266

**ORDER NO. 30: GRANTING COMPLAINANT'S UNOPPOSED MOTION TO FILE
A CORRECTED VERSION OF COMPLAINANT'S INITIAL
POST-HEARING BRIEF**

(April 28, 2022)

On April 27, 2022, complainant AliveCor, Inc. ("AliveCor") moved (1266-032) for leave to file a corrected version of its initial post-hearing brief. The motion explains that the corrections include redactions to two pages where an exhibit not in the record is cited, and attaches two replacement pages as an exhibit. *See* Mot. at 1. The motion represents, "Respondent and Staff both confirmed that they will not oppose the substance of the motion." *Id.* at 2.

There being no opposition, and for good cause shown, AliveCor's motion for leave (1266-032) is granted.

SO ORDERED.

Cameron Elliot
Administrative Law Judge
