

UNITED STATES DISTRICT COURT
DISTRICT OF KANSAS

LOGANTREE LP,

Plaintiff,

vs.

GARMIN INTERNATIONAL, INC. and
GARMIN USA, INC.,

Defendants.

Case No. 6:17-cv-01217

GARMIN'S REQUEST FOR ORAL ARGUMENT

Pursuant to D. Kan. Rule 7.2 and this Court's Guidelines for Motion Practice, Defendants Garmin International, Inc. and Garmin USA, Inc. request an oral hearing on Defendants' Motion to Dismiss (ECF Doc. 10). Defendants believe they could assist the Court in better understanding the technical allegations raised in the Complaint and Defendants' Motion to Dismiss. Specifically, they could provide further insight and respond to any questions regarding the technical issues raised in either pleading. Additionally, because the asserted patent has been subject to a reexamination procedure before the Patent Office, they could provide further insight and/or respond to any questions regarding the arguments raised and/or legal implications of that procedure and how that affects LoganTree's present claims in this litigation. For these reasons, Defendants believe an oral hearing would assist the Court in resolving whether LoganTree failed to state a claim under Fed. R. Civ. P. 12(b)(6).
