Thanks Chris. We'll do May 21st, and either DLA's or Fish's San Diego offices work fine for Dr. Linck if they're available to host the depo.

Ankur,

We've tried to accept your dates as offered whenever possible even where it's putting us in a bind, but we can't take a depo of a source code expert 1-2 business days after receiving his report, particularly when part of our team will be traveling and preparing for Dr. Wells's depo on May 1 and we'll be in the midst of preparing our source code expert for his deposition on May 3rd. **When is Dr. Mayo available during the back half of the week of May 6th or the week of May 13th?**

For our part, Dr. Nancy Linck (PTO/Inequitable Conduct) should be available May 17-22, to give you adequate time to digest her report. We haven't determined whether it will be in Dallas or the San Diego area, and it will likely depend on which date you pick, so please let us know which ones work for you (more than one if possible since these aren't fully confirmed).

Chris
