

UNITED STATES DISTRICT COURT  
EASTERN DISTRICT OF MICHIGAN  
SOUTHERN DIVISION

**IN RE NEO WIRELESS, LLC  
PATENT LITIG.**

2:22-MD-03034-TGB

HON. TERRENCE G. BERG

**CASE MANAGEMENT ORDER  
NUMBER ONE**

The Court held a Status Conference on July 18, 2022. Counsel for all parties were present. As discussed at that conference, the following deadlines are imposed:

1. Plaintiff shall file all Amended Complaints by July 20, 2022.
2. Any Motions to Dismiss shall be filed no later than August 10, 2022.
3. Answers shall be due August 24, 2022.
4. A Rule 26(f) Scheduling Conference shall be held on August 31, 2022.

If any Motions to Dismiss are filed, Defendants' counsel shall coordinate to avoid duplicative briefing on issues common to all Defendants. Redundant briefing will not be permitted as it taxes the resources of the parties, counsel, and the Court.

At least two business days prior to the Scheduling Conference, counsel shall file a joint Rule 26(f) Report and Proposed Scheduling Order

using the template for patent cases provided in the Court's practice guidelines.

In addition to scheduling matters, all counsel should also be prepared to discuss the following at the Scheduling Conference:

1. The parties' proposed candidates, if any, for appointment as a technical advisor to the Court;
2. An update on any settlement discussions that have taken place prior to the Scheduling Conference or are scheduled to take place;
3. An update on Defendants' intention to request *inter partes* review of any patent at issue in this litigation; and,
4. The status of the newly-filed cases against Mercedes and FCA.

**SO ORDERED** this 19th day of July, 2022.
