

STATE OF MINNESOTA
IN COURT OF APPEALS

Kelly M. Kope,

Relator,

vs.

Panasonic Avionics Corp,

Respondent,

Department of Employment and
Economic Development,

Respondent.

ORDER

A21-0760

BASED ON THE FILE, RECORD, AND PROCEEDINGS, AND BECAUSE:

1. This certiorari appeal was filed by mail on June 14, 2021. A writ of certiorari was issued on June 17, 2021.
2. The itemized list of the contents of the record was served electronically on August 12, 2021. Relator's brief and addendum were originally due on September 13, 2021. *See* Minn. R. Civ. App. P. 115.04, subd. 4, 126.01; Minn. R. Civ. P. 6.01(a)(1)(C).
3. In a September 22, 2021 order, this court afforded relator a final opportunity to serve and file a brief and addendum by October 4, 2021. This court warned that relator's failure to comply with the September 22, 2021 order could result in dismissal of this appeal.

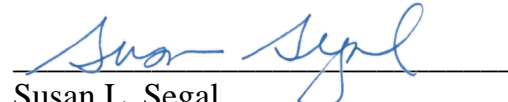

4. Our records do not reflect that relator has filed a brief or a motion for an extension. We therefore dismiss this appeal pursuant to our September 22, 2021 order.

IT IS HEREBY ORDERED:

1. This appeal is dismissed.
2. The writ of certiorari is discharged.

Dated: October 18, 2021
