Re: Network-1 Technologies, Inc. v. Google LLC, et al., Nos. 1:14-cv-2396-PGG-SN & 1:14-cv-9558-PGG-SN

Dear Judge Gardephe:

Plaintiff Network-1 Technologies, Inc. ("Network-1") writes to respectfully request a status conference in this matter. Defendants have indicated that they do not oppose this request. The parties have addressed certain discovery issues, consistent with the stipulation entered by the Court (Case No. 2396, Dkt. # 256). The parties have also discussed anticipated supplemental expert reports. Network-1 anticipates that a status would be helpful to finalize the scheduling for such matters and to address remaining pretrial scheduling in these matters. The parties could conduct either a telephonic or in-person status conference with the Court.

Memo Endorsed: The parties will submit a joint letter by **July 7, 2022** setting forth their respective positions as to whether the stipulated supplemental discovery authorized by Judge Netburn's May 7, 2021 order (Case No. 2396, Dkt. No. 256; Case No. 9558, Dkt. No. 191), including any supplemental expert reports, has any impact on the parties' pending cross-motions for summary judgment.

Respectfully submitted,

Russ, August & Kabat
