#### **(Infringement of U.S. Patent No. 7,915,631)**

7. Nichia re-alleges and incorporates the allegations of all prior paragraphs of this Complaint as if set forth in their entirety herein.

8. Nichia is the assignee and owner of all rights, title, and interest in and to U.S. Patent No. 7,915,631 ("the '631 patent"), entitled "Light Emitting Device and Display," which was duly and legally issued by the United States Patent and Trademark Office on March 29, 2011.
