Unless otherwise stated, the facts stated in this Declaration are based on my personal knowledge.

Exhibit 1019

3. Exhibit 1006 hereto is a true and correct copy of a document that indicates that it is an official publication issued by the New York State Insurance Department entitled "1995 Consumers Guide on Automobile Insurance (Downstate)." Page numbers and an exhibit label have been added to the bottom of this document but no other alterations have been made.

4. Exhibit 1008 hereto is a true and correct copy of a document that indicates that it is an official publication issued by the Florida Department of Insurance entitled "1998 Automobile Insurance Shoppers' Guide." Page numbers and an exhibit label have been added to the bottom of this document but no other alterations have been made.

5. Exhibit 1009 hereto is a true and correct copy of an article from a book that was retrieved at my instruction from the United States Library of Congress, 101 Independence Avenue SE, Washington, DC 20540 and which I inspected. The book bears the title and publication date "Proceedings of the Casualty Actuarial Society 1929-1930, Volume XVI" and the article bears the title "Notes on Exposure and Premium Bases" by Paul Dorewiler. The book bears a stamp dated March 1, 1934, and was in a condition that creates no suspicion about its authenticity; was in a place where it would likely be found if authentic; and is at least twenty years old. Page numbers and an exhibit label have been added to the bottom of this document but no other alterations have been made.

I declare under penalty of perjury that the foregoing is true and correct.
