I, R. Scott Tewes, declare as follows:

1. I am the founding member of the Tewes Law Group in Duluth, GA. I graduated with a B.S. in Mathematics Education, from Bob Jones University in 1978, received a M.S. in Educational Administration, from Bob Jones University in 1980, and received a J.D. degree, from the University of South Carolina School of Law in 1983.
2. I am a member in good standing of the South Carolina Bar, the State Bar of Georgia, and The District of Columbia Bar and am also admitted to practice in the United States Court of Appeals for the Federal Circuit and the Supreme Court of the United States. I am currently admitted to practice *pro hac vice* in the U.S. District Court for the Eastern District of Pennsylvania. I have been in private practice since 1983, and have litigated many civil cases since that time, including a number involving patent infringement.
3. I have never been suspended or disbarred from practice before any court or administrative body.
4. I have never had a court deny my application for admission to practice.

5. I have never had an administrative body deny my application for admission to practice.
6. No sanctions or contempt citations have ever been imposed against me by any court or administrative body.
7. I have read and will comply with Office Patent Trial Practice Guide and the Board's Rules of Practice for Trials, as set forth in Part 42 of the C.F.R.
8. I agree to be subject to the United States Patent and Trademark Office Code of Professional Responsibility set forth in 37 C.F.R. § 10.20 *et seq.* and disciplinary jurisdiction under 37 C.F.R. § 11.19(a).
9. I have never previously appeared *pro hac vice* in any proceedings before the United States Patent and Trademark Office.
10. I am very familiar with the subject matter at issue in this proceeding. I am counsel for Plaintiff Frontline Technologies, Inc. in the *Frontline Technologies, Inc. v. CRS, Inc.* patent infringement litigation, Civil Action No. 2:07-cv-2457 (E.D. Pa.), which involves the same patent at issue in this proceeding. Since that lawsuit was filed in 2007, I have been involved in the day-to-day management and conduct of that litigation for my client. I have drafted portions of many of the substantive papers filed in that litigation, defended depositions of Frontline's witnesses and experts, and personally deposed CRS witnesses and experts.

11. The protective order in the *Frontline Technologies, Inc. v. CRS, Inc.* patent infringement litigation does not impose any applicable limitations upon my ability to participate in this proceeding.

12. I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements are made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of U.S. Patent No. 6,675,151.
