Hi Jeff,

On a technical level, we do have the ability to offer a DDE feed and link; but as you understand we would want to test your product and look into business opportunities thereafter.

Once we can get the SMS sending to my phone, it will be great. Just to confirm, my phone number is +19176645991

Cheers

If you have any queries or comments, please feel free to contact me.

Hi Saul,

Apologies for the lateness of reply, I have been busy with our SMS provider {Legion interactive} trying to find out why you didn't receive the alerts on your mobile, which they say got sent! Hopefully sorted out shortly, BTW, are you able to supply a data feed for currency, and what are the costs etc.

Hi Saul,

Our SMS system says it has sent you some alerts. Could you confirm you have received? They are intraday real time technical events on the ASX, one alert is a momentum alert, the other is a flag alert.
