18 JUDGE LEE: Thank you. So the
19 Patent Owner asked for the call. We'll let Mr.
20 Wamsley or Mr. Griffith start.

21 MR. WAMSLEY: Very well. Thank you
22 very much, Your Honor, for taking the call
23 today, time out of your busy schedule.

24 The reason for our request for the
25 call is we would like to request the Board's

1 permission to file a motion to strike directed
2 at the papers that Liberty Mutual filed in Case
3 CBM2012-00003 and CBM2013-00009 on March 13,
4 2014. The reason for this is because we
5 believe that Liberty has abused the Board's
6 rehearing request procedures. They have titled
7 their papers "requests for rehearing," but in
8 reality they do not ask or request that any
9 decision of the Board be reheard at all. They
10 do not seek reconsideration of any decision of
11 the Board. In fact, they state at page 4 of
12 their papers that they make the requests solely
13 to preserve the status quo.

14 This Board's rule, Section 42.71,
15 relating to rehearing requests, specifies that
16 those requests may be filed in those instances
17 where a party is dissatisfied with the decision
18 of the Board, and that the request must
19 specifically identify the matters that the
20 party believes that the Board misapprehended or
21 overlooked in issuing a decision. We feel that
22 neither of these things were done by Liberty.
23 They do not indicate they're dissatisfied with
24 any decision of the Board. Indeed, they ask at
25 page 2 of their papers that their own request
